## The Edward Jenner programme

The refreshed Edward Jenner programme has launched in 2022. Learning is delivered online and is free for people working in health and social care. If you are a new or aspiring leader or manager this programme is essential for you.

### Benefits

- Leads to recognised and respected leadership qualifications; The NHS Leadership Academy Award in Leadership Foundations (Levels 1 & 2).
- Supports you to grow in confidence to thrive in your current role.
- Ability to apply your learning immediately to the day-to-day challenges of working and leading in health and care.
- Highlights your leadership competency for your future career path.
- Demonstrates your commitment to professional leadership development and supports leadership credibility.
- Provides a gateway to move other NHS Leadership Academy programmes in the future.
- Develop your own inclusive leadership practice and improve the culture within your team.
- Improve team satisfaction and deliver ever better care for patients and service users.
